**The Most  
Important Person ...**

on earth is a mother. She cannot claim the honor of having built Notre Dame Cathedral. She need not. She has built something more magnificent than any cathedral - a dwelling for an immortal soul, the tiny perfection of her baby's body. The angels have not been blessed with such a grace. They cannot share in God's creative miracle to bring new saints to Heaven. Only a human mother can. Mothers are closer to God the Creator than any other creature. God joins forces with mothers in performing this act of creation ...

What on God's good earth is more glorious than this: to be a mother.

*Joseph Cardinal Mindszenty*

*John Calvin, Commentary on Exodus 21:22*

For the fetus, though enclosed in the womb of it's mother, is already a human being, and it is a monstrous crime to rob it of the life which it has not yet begun to enjoy. It seems more horrible to kill a man in his own house than in a field, because a man's house is his place of most secure refuge, it ought surely to be deemed more atrocious to destroy a fetus in the womb before it has come to light.

## Mission Statement

We, with the grace of God, through prayer, education and political action, work for the respect and protection of all human life from conception to natural death.

## Goals

- We support and protect human life at all stages.
- We build a strong organization through membership, advertising, conferences, and networking.
- We work to change our culture by promoting the life issues to all society.
- We work towards changing laws in order to protect all human life, through lobbying and support of pro-life politicians.

## Who We Are

The Saskatchewan Pro-Life Association was formed in 1984 to assist local pro-life groups, and provide a united voice for life throughout the province.

There are twenty-four active groups in the province.

We provide all members with our own publication, the "Choose Life News". We air province-wide pro-life commercials, sponsor bill board advertising, conferences and educational events that promote pro-life education.

We are supported by donations and do not receive any government funding.

We are a non-denominational group.

We network with and support other groups that promote respect for life.
